

• **Personal Information:**

Date of Birth : ٢٣/06/1973.

Gender : Male.

Marital Status: Married.

Nationality : Yemen.

Address: Yemen, Sana'a Cairo Street, P.O. Box:337

• **Education:**

- Ph.D. in Information Technology (2011-2016)
Ibn Tofail University, Faculty of Science (Morocco)

THESIS entitled:

New approaches for learning analytic system to evaluate the quality of students' performance and text mining in online communication on E- Learning.

Supervisor: Prof. Rochdi Messoussi. (Morocco)

Committee: Prof. DIYADI J(President), Prof. A.SBIHI(R), Prof. E.K ELKADIRI(R), Prof. M.BENATTOU (R), Prof. R.TOUAHNI (E).

- M.Sc. Master's in Software Engineering (2008-2010)
Ibn Tofail University, Faculty of Science (Morocco).
- B.Sc. in Mathematics/computer, (1992-1996)
Sana'a University, Faculty of Science (Yemen).

Materials for a Teaching Portfolio: Web Design and Programming, Web Technology, Web Development, Software Engineering, Systems Analysis and Design, Software Architecture and Design, Projects Management Systems, Management Information Systems, E-Commerce, E-Learning, E-business, Database System Management, Data Warehousing and Data Mining, Data Structures and Algorithms, Computer Programming, Object-Oriented Programming, Visual Programming, Mobile Applications Systems.

• **WORK EXPERIENCES**

	University Name	Position	Date
1	University of Andalusia Faculty of Engineering and Information Technologys	Head of Information Systems Department	2019 - Until Now
2	Al-Razi University Faculty of Computer Science and IT	Head of the Research Center	2019 - Until Now
1	Yemen Jordanian University Collage of Computer and Information Systems	Head of Information Systems Department	2016 -2019
2	International University of Technology Twintech	Faculty member of the university	2018-Until Now
3	University of Science and Technology Faculty of Computing & Information Technology	Faculty member of the university	2017-Until Now
4	Yemen University Faculty of Engineering and Computer	Faculty member of the university	2016- ٢٠١٨
5	Future University Faculty of Engineering and Technology	Faculty member of the university	2016 - ٢٠١٨

Work History and Professional Experience:

- Sana'a University, Faculty of Science, **2016 – Until Now**
Faculty of Computer Science & IT
Assistant Professor
- Ministry of Industry and Trade **1997- 2016**
Consultant to the Ministry in the field of information technology.
- Al-Thowra industrial Complex **1998-2007**
Chief of department of development and Networks.
- SmarTech company **1996-1998**
Chief of department of development and programming systems.

Development Projects:

- ✓ Design and development a system realization of data Acquisition system for quality in Super Cerame Company (Morocco) in J2EE (EJB3, JSF, JSP, Servlet) and MySQL.
- ✓ Design and development a website for Recruitment system in J2EE
- ✓ Design and development a geranial account system in (Oracle).
- ✓ Design and development a stock system in (Oracle).
- ✓ Design and development a sales point System in (Oracle).
- ✓ Design and development an industrial production system in (Visual FoxPro 9).
- ✓ Creating a server of web applications in PHP with MySQL or in java technology.
- ✓ Design and development a football stadium in language OpenGL.

Skills:

- *Project Management and Quality:* (Norms ISO, CMMI).
- *Data Base system:* ORACLE 12c, MS SQL Server 2017, MySQL
- *Programming Languages:* C/C++, C#, Java, Visual Basic, Visual FoxPro,
- *Oracle Developer Suite 10g:* (Forms, Report), PLSQL.
- *Web Technology:* J2EE (EJB, JSF, JSP, Servlet), PHP, ASP.Net, ASP, JavaScript.
- *Analytical Methods:* UML2, Merise.
- *Networks:* Addressing and Routing IP, Administration and Network Security.
- *Multimedia & Graphics:* OpenGL, Photoshop, Flash(illustrations)
- *Mobile development:* Android applications.

Languages:

Arabic, English, French.
